The REYDMATION OF THE VIRGISITS.

WASHINGTON, Incomber 1.—The department of the incombination to compute the incombination of the Virginia and the curviving with a long city of the surrenders of the Virginia and the curviving the surrenders of the Virginia and the curviving the surrenders of the Virginia and the curviving presented to the Virginia and the curviving presented to the Virginia and the curviving the curve of the State Department to understand the curviving presented to the Virginia and the curviving presented to the Virginia and the curviving presented to the Virginia and the curviving the curve of the State Department to understand the curviving presented to the Virginia and the curviving the curve of the State Department to understand the Company of t

The Fort Smith Herald of the twenty-

em. Seeing the fate that awaited him an s companions, Warlace surrendered; and i ow fast in the grip of the law. The Warren (Ark.) Eagle of the twen- causes which have made this postponenes ton, aged about fifteen years, was sent by his brother to the house of a negro, some distance from his home, on last Wednesday morning, to see about hiring some help to pick cotton. On entering the house he found a negro boy, Jack Miller by maine, lying before the fire, and asked him to move his feet that he might warm. This Jack refused to do, and Hamilton pushed or kicked his feet askid which aroused Jack's ire, and he got up and went in for a light. After having a little skir-mish Hamilton left the house and went into another near by, followed by Jack, where they mut amother fight, in which Hamilton struck.

the other over the head with a pine knot. Hamilton dien started home, saying, Let ne alone, I don't want to have any difficulty, and was followed by Jack, and when about to get on his horse he came up behind and struck Hamilton over the head once or twice with a stick about four feet long, which fractured his skull, so that he died Thursday night. The negro. Jack Milier, fled as soon as the deed was done, and was parsued when his affair become known, but was not captured ill! Thursday evening. He is said to be between fourteen and fifteen years old, but, if so, is very small for his age. He is now ledged in jail at this place to await a trial.

in jall at this place to await a triat.

The Somerville Fulcon tells this heart-rending story: "Last Saturday Mrs. W. Wailace, of Somerville, went out in the forem on to pay a cell. She left her little girl, Florence, in charge of a negro girl about fifteen yests old. About noon the child commenced crying. The servant left the room and went out, as she afterward said, to get an orange with which to quiet it. When she returned she heard it screaming, and hastening about she found its clothing on fire, while the kind diing flames were rapidly enveloping its bedy flowing all presence of mind, she turned and field down stairs to call for assistance. Before this could be obtained the colling on the poor little unfortunate were burned to assess and the entire body from a few inches above the ankles, was a solid, blackened crisp. The surface of the bowels was as hard as a brick the cast, eyellds, hair, now and lips were completely destroyed, and the child presented on appearance his could be could not only the country and the canadas asking for a postponement.

This action of nearly every one interested is made apparent by the very namerous letters received from every section of this country and the Canadas asking for a postponement.

This surface of the interest of the limit of the canadas asking for a postponement of the management will work no detriment to any, but will be for the good of all. By it the fortunate ticket-holders will receive their gifs is very, while it will not affect those who do not draw gifts.

In making the anonoment deen in the surface of the bowels was as hard as a brick.

Several physicians were valled in at once, and the child presenting to say its life, but all it of this end all agents will be imperatively required to close up and transmit their ac-
